C-shaped LED
Signature

When heads turn as soon as you pull up, you know it's going to be a great night. You're dressed with style that draws a crowd, thanks to blacked-out trim, overfenders, and orange-accented badges. And when you want to make a quick escape, **190ps / 450Nm engine**, and **rear multi-link suspension with dual-rate coil springs** let you get out of town in a flash.

IT'S A TIGHT SQUEEZE, BUT YOU'LL GET THROUGH WITHOUT A SCRATCH

INTELLIGENT AROUND VIEW MONITOR

An intelligent Around View Monitor system that assists the driver to see everything from all sides through 4 cameras installed around the car. Every camera will capture real-time movements and create a virtual bird's-eye view on-screen on your radio panel.

OFF-ROAD TECH

CLIMB, CRAWL, CONQUER AND NEVER TURN BACK

You have picked a climb so which is not on the map.

Slippery Path? Now with the Navara advanced tech you can power through like a pro and let the **Electronic Lock Rear Differential** dig in.

Rough ruts and bumps? You can be in complete control as the Navara's long travel off road suspension smoothens your ride when you're faced with challenging terrains.

Don't worry! with Navara your playground is beyond road

4 WHEEL ACTIVE
BRAKE LIMITED SLIP

ELECTRONIC LOCK
REAR DIFFERENTIAL

HILL START ASSIST

When driving uphill, HSA will prevent the car not to roll down backwards when stepped off the brakes.

HILL DESCENT CONTROL

Going down steep hill are more manageable with this tech, it automatically adjusts your speed and brake pressure to help you cruise along safely.

PERFORMANCE

EMBRACE THE AWESOME UPHILL BATTLES

Legendary power and reliability. Hooked up to a **7-speed Auto Transmission with Manual Mode**, and **upgraded brakes**, you have the efficiency you want, the responsiveness and control that you need.

**2.5 L DIRECT INJECTION
TURBOCHARGED
DIESEL ENGINE**

**7 SPEED
AUTO TRANSMISSION**

MAXIMUM HORSEPOWER

188 hp / 3,600 rpm

MAXIMUM TORQUE

450 N-M / 2,000 rpm*

Fuel Efficiency (R101):

8.4L/100km

(Driving range of 950km in one full 80-litre tank)

PAYLOAD

1100kg

FUNCTIONALITY

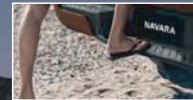

SQUEEZE THE MOST OUT OF EVERYDAY

When you can bring all the toys, you can have an extraordinary day. Get up before the sun, load up your toys, grab a big coffee, and find that secret spot you can only reach with a real truck – Navara's up for it. Mountain biking after that? Rock climbing? No problem – you've got easy access and a big bed to bring what you need your gear's locked down and secure. And with the available **bedliner** protecting your Navara, you'll look good for many extraordinary adventures to come.

Tailgate Assist

Helps to lighten the opening and closing of the tailgate through the addition of a torsion bar system.

Integrated Bumper Step

Getting to what you need is easier with Navara's new integrated bumper step gives you easy access.

Trailer Sway Assist

Giving you a smooth, straight ride you might even forget you've got your trailer in tow.

SINGLE STEEL CHASSIS STRUCTURE

THE BEST CHASSIS IN THE NAVARA HISTORY

Trusted by many drivers all over the world, the high strength chassis of the New Nissan Navara is the best one yet. Show off on the road with improved driving performance and increased safety measures with a one-piece steel chassis for a whole pickup truck.

Rear Multi-link Suspension

With a strengthened rear axle, the Navara rear multi-link suspension helps give a smoother ride, even in severe conditions. It also provides a more comfortable ride for those in back.

Ground Clearance

With generous ground clearance, superior approach and departure angles, Navara is adept at fording ravines, and climbing seriously rocky terrain

The image shows the interior of a car, specifically the front passenger side. The seats are black with orange stitching and a textured pattern. The dashboard and steering wheel are visible on the left. The car is parked in front of a building with large windows and a sign that says "ORIUM".

ORIUM
**NOISE REDUCING
ACOUSTIC GLASS**

Hear less of that road and engine noise
so you can focus on enjoying your drive.

RELAX IN COMFORT AND STYLE

ZERO GRAVITY SEAT

Inspired by the weightless posture of
astronauts in space, Nissan designed
these front seats that provide generous
support to help reduce fatigue.

NISSAN
INTELLIGENT
MOBILITY

COMFORTABLE REAR SEATS

Passengers can enjoy the back seat built with comfortable springs and high bumping urethane foam pads.

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable and exciting.

FEEL MORE CONFIDENT

INTELLIGENT DRIVING Imagine a car that will pick you up, navigate heavy traffic, and find parking all on its own. And at the push of a button, it gives you back control of the wheel. It will even be able to communicate with other cars and pedestrians. Nissan is testing advanced autonomous driving on public roads today, which means this revolutionary driving experience is within reach.

FEEL MORE EXCITED

INTELLIGENT POWER With 100% instant torque and zero tailpipe emissions, electric vehicle transportation doesn't have to compromise the thrill of driving. Nissan's leadership position in EVs means we're committed to expanding our range of zero tailpipe emission vehicles, bringing the unique pleasures of cleaner, quiet power to more and more people worldwide.

FEEL MORE CONNECTED

INTELLIGENT INTEGRATION A connected ecosystem of drivers, cars, and communities is key to a cleaner and safer world. Nissan is playing a central role in defining what the roads of the future will look like, from autonomous cars to traffic management systems to mobility services. Nissan is committed to creating a more connected world by linking vehicles to social infrastructure.
