All-New Nissan X-Trail with e-POWER. Fit in more family adventures

Introducing Nissan's latest family adventure crossover, powered by unique e-POWER technology for a quiet, electrified drive with no need to plug.

For superior control and a unique electrified experience, e-4ORCE technology, the all-wheel drive version associated to e-POWER.

All-New Nissan X-Trail is a spacious crossover with up to seven seats, and everything you need to keep your family safe and comfortable with advanced Nissan's safety technologies.

With cutting-edge connectivity to keep everyone entertained, the All-New Nissan X-Trail shows that family-friendly trailblazing is possible.

The unique electrified experience, now unplugged. This is Nissan e-POWER

With Nissan e-POWER, pioneering doesn't have to pause. e-POWER is a unique electrified technology composed of a fuel efficient petrol engine charging a battery. The battery then provides electricity to a motor driving the wheels. The result is a responsive and quiet driving sensation without the need to plug or recharge. Just exhilarating and stress-free driving with no compromise on fuel economy.

Digital combimeter with energy flow

SIMPLIFY YOUR DRIVE, WITH E-PEDAL STEP

Experience a more intuitive way to drive. Unique to Nissan, e-Pedal Step gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 10km/h. Meanwhile leaving the brake pedal for harder braking and coming to a complete stop.

Discover the details that make a difference

Family adventures feel so comfortable with design details that make your journeys smoother. From rear-window sunshades* that roll neatly away, to USB ports front and 2nd row to keep everyone's devices fully charged. When it comes to loading, enjoy up to 16 configurations with adaptable luggage boards and 60:40 sliding 2nd row to personalise your load space even further and ensure easy access to 3rd row.

Never compromise on style, in the All-New Nissan X-Trail

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this electrified family crossover refuses to blend into the background.

Safety First is Second Nature

The All-New Nissan X-Trail is equipped with advanced safety technologies designed to read the road ahead and adjust your drive accordingly, keeping you and your family safe for maximum peace of mind. Thanks to Around View Monitor, all-round reassurance comes from a 360° view of your car with selectable focus on front, rear and kerbside views.

INTELLIGENT FORWARD COLLISION WARNING keeps an eye on up to two vehicles in front of you. If the system detects a sudden deceleration ahead, you hear an audible and visual warning to slow down.

INTELLIGENT EMERGENCY BRAKING spots objects and applies the brakes if there is a risk of a low-speed collision with a car, pedestrian or cyclist.

LANE DEPARTURE WARNING provides visual and audio alerts to you if you are beginning to leave the traveling lane.

BLIND SPOT WARNING assists you to avoid a collision by detecting vehicles in the blind spot area when changing lanes.

Seamlessly connected to your world

The 12.3" HD touchscreen in the New Nissan X-Trail is an advanced technology infotainment system. When inside your car, connect your phone to start using your preferred Apps thanks to Apple CarPlay® and Android Auto™. And wherever you are, it keeps you informed about the status of your car. You're all set for your adventures on the go.

Family Size Matters for this Electrified Family SUV

Forget the usual hassle of loading child seats. With rear doors that open to 85° and versatile seating layouts for up to 7, stress-free family adventures start the moment you leave. Whether in the front, 2nd or 3rd row seats, all passengers can feel relaxed with 3-Zone Air Conditioning and ergonomic seats for comfort on the longest journeys.
